NOTTE MAXI WALL LAMP

STEP 01

Switch off power at the main electrical panel before installation. Ensure the electrical connection point is properly installed and secured.

STEP 02

Connect the wires as follows. Brown or black to L (live), blue to N (neutral), green/yellow to earth (ground). Ensure all connections are secure and properly insulated.

STEP 03

Attach the canopy to the wall and secure it using the provided hardware (Part C).

STEP 04

Insert the two included LED bulbs (Part D).

STEP 05

Restore power at the circuit breaker and test the fixture.

NOTTE MAXI WALL LAMP

HOW TO CLEAN YOUR LAMP

Turn off power at the switch or circuit breaker before cleaning. Clean with a soft, dry cloth only. Do not use water or harsh cleaning products.

METAL LAMP

To preserve the lacquered finish, clean with a soft, dry cloth only. Do not use water, metal polish, or abrasive cleaners, as these may damage the protective coating.

IMPORTANT NOTICE

This product complies with applicable European safety standards. Installation should be carried out by a qualified electrician.

END OF LIFE OF THE PRODUCT

This product must not be disposed of with household waste. Please dispose of it in accordance with local regulations and recycling requirements.
