### PART F

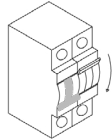

Lampshade

## SAMARCANDE SUSPENSION

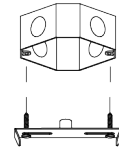

### STEP 01

Turn off power at the circuit breaker before beginning installation.

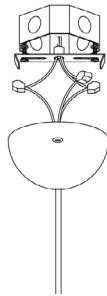

### STEP 02

Ensure the junction box is securely mounted to a structural support. Attach the mounting plate to the junction box using the provided screws (Part B).

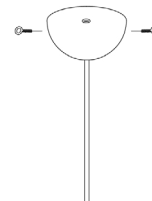

### STEP 03

Connect black to black (line/hot), white to neutral, and green or bare to ground using UL-listed wire connectors. Ensure connections are secure and insulated.

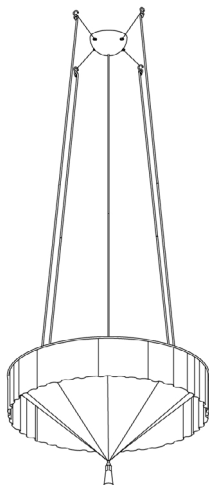

### STEP 04

Attach the canopy to the mounting plate and secure it with the provided hardware (Part E).

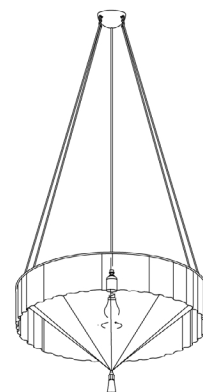

### STEP 05

Attach the lampshade to the canopy using the integrated hooks.

### STEP 06

Insert one E26 LED bulb (not included). Restore power at the circuit breaker and test the fixture.

## SAMARCANDE SUSPENSION

### HOW TO CLEAN YOUR LAMP

Turn off power at the switch or circuit breaker before cleaning. Clean with a soft, dry cloth only. Do not use water or harsh cleaning products.

### FABRIC LAMPSHADE

To preserve the quality of the fabric, clean only with a soft, dry cloth. Do not use water, moisture, or harsh cleaning products.

### GOOD TO KNOW

For dimming, use a dimmable bulb with a compatible dimmer.

### SOLD SEPARATELY

Light bulb not included. Use one E26 LED bulb, 10W max, 2700K recommended.

### IMPORTANT NOTICE

This product is designed to meet applicable U.S. safety standards. Installation must be performed by a licensed electrician.

### END OF LIFE OF THE PRODUCT

This product must not be disposed of with household waste. Please dispose of it in accordance with local regulations and recycling requirements.
